Desktop Content Center libraries.

Select this option if you work as a standalone user and want to access and manage content libraries directly on this computer. Desktop Content Center libraries may be configured with this installer.

Select Content Center libraries for Inventor Desktop Content

Select the libraries that you need. As more libraries are added, Autodesk Inventor will require more time to index and search the data.

CAUTION: These are libraries for Inventor Desktop Content and will not install on Autodesk Vault Server.

ANSI Standard Content

DIN Standard Content

ISO Standard Content

JIS & GB Standard Content

Feature Generators Standard Content

Disable Updates som kan kreve admin rettigheter:

Customizations ^

Read-only mode

Install Inventor and Read-only mode

Only install Inventor Read-only mode (without Inventor)

Enable Internet Connectivity

Some features of Autodesk Inventor require an Internet connection to enable online design collaboration or check for updates from the App Manager. It is strongly recommended that these features are enabled.

Enable Design collaboration (Recommended) Includes features such as : - Guided Tutorial Create and Gallery - Shared Views

Enable updates from Autodesk App Manager

Enable in-product feedback

Extensions

Search and add extensions

- Inventor Content Libraries X
- DWG TrueView 2026 - English X
- Inventor Electrical Catalog Browser 2026 X

Content location:

`%PROGRAMDATA%\Autodesk`

The location for storing content such as templates, styles, materials, and drawings.

Kjør fil for å laste ned pakke til c:\temp....

Tilpass Install og Uninstall filer

Endre install path fra C:\temp\autoeskinventor til %~dp0image

Sett REM på Install with basic UI

Fjern rem på Silent install
